OUR STORY

We at Jungle restaurant are born by a story. There were many restaurants before our arrival. All were serving food, which they were supposed to do although, but there was something missing! Food is our basic necessity but besides we want the fun, something delightful and something extra too along with that! Inspired by this belief to give something EXTRA experience at our restaurant, we started Jungle Restaurant for you!

We at Jungle Restaurant are a firm believer of delivering extras delightful experience along with the delicious food we serve you to “Come! Feast in the Jungle”.

OUR MISSION

We are on a mission to serve the plate of joy, power of experience, with the touch of nature in our every serving. We are concerned about the depletion of our environment and that is why we focus on the sustainable things foremost at our organization! We are on a mission to serve the Joy of Jungle to all who visits us. Come, visit us! Enjoy the experience and join hand to hand with our mission! With us!

Franchise Model: FOFO

In this model, the company gives its brand name to the franchise investor. And they give it for a particular non-refundable sum (franchise fee) and for a pre-agreed time period. The Prices and merchandise for the outlet are decided by the brands. So, the franchise investor is the owner of the store, and all the operational cost has to be borne by the franchise itself. Moreover, the Franchise has to pay some percentage share of revenue (royalty) to the Brand as well.
